The Problem & Our Solution

Demo

The Highs & the Lows

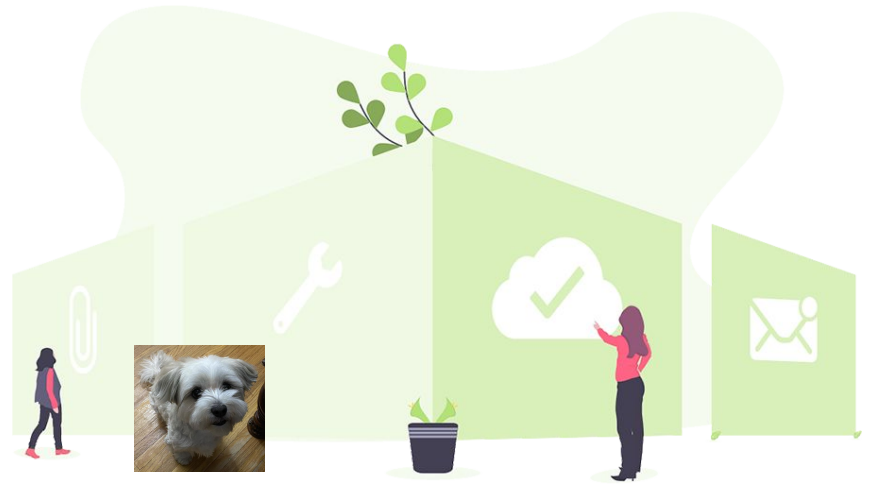

- Learning curve since we wanted to seize this opportunity to learn a new language
- Getting NavBar to work—or anything really

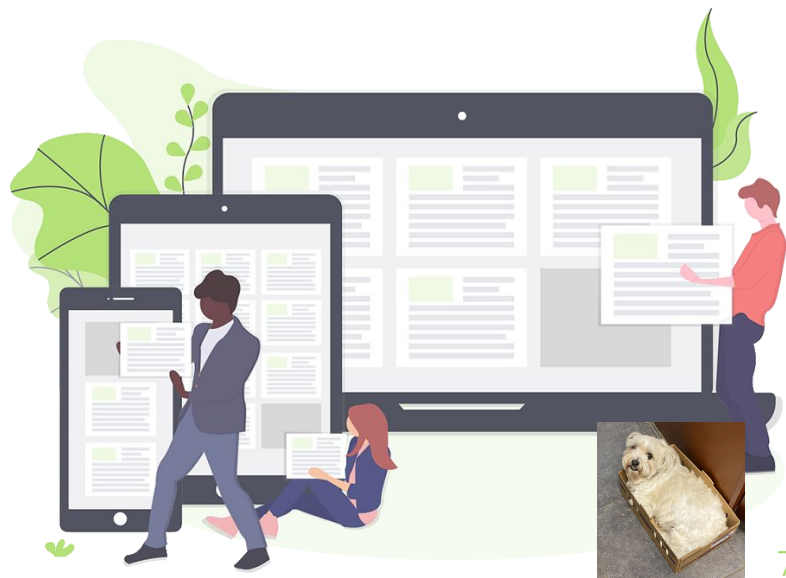

Future Features

- Finish off features
- Greenly API - Carbon footprinting API
- Browser/Mobile App Integration

Credits

- Special thanks to the SES Team for making this possible!
- And to our mentors:
Chris Huber & Latrell Lee

Thank You!

Any questions?
